

Publikationen (Erst- und Coautor)

Rapcan R, **Hess GM** et al.: A randomised, multicenter, double-blind, parallel, pilot study, assessing the effect of mechanical adhesiolysis versus adhesiolysis with corticosteroid and hyaluronidase administration into the epidural space during epiduroscopy.

Pain Medicine 2018; 19:1436-44.

Hess B, **Hess GM**: Individuelles Yoga. Ein spezielles Übungsprogramm für Personen mit .

Via Nova, Petersberg 2017.

Gupta S, Gupta M, Nath S, **Hess GM**: Survey of European Pain Medicine Practice.

Pain Physician 2012; 15:E983-E994.

Hess GM, Block JE: Intradiscal Electrothermal Therapy (IDET): Background, Description and Procedure. In Husson J-L (ed.): Spine Multimedia Collection. A global multimedia overview on spinal conditions & surgery: Gold standards, new treatments & researches.

Springer, Paris 2009.

Hess GM: Sacroplasty for the treatment of sacral insufficiency fractures.

Unfallchirurg 2006; 109:681-686.

Hess GM: Sacroplasty for the treatment of insufficiency fractures of the sacrum.

Orthopaede 2006; 35:865-870.

Hess GM, Mayer HM: Percutaneous Vertebroplasty in Osteoporotic Vertebral Fractures. In Mayer HM (ed.): Minimally Invasive Spine Surgery (2nd edition).

Springer, Berlin 2005.

Hess,GM: Intradiskale Elektrothermale Therapie (IDET). In Jerosch, Steinleitner (eds.):

Minimalinvasive Wirbelsäulen-Intervention.

Deutscher Ärzte-Verlag, Köln, 2005.

Hess GM: Intradiskale Elektrothermale Therapie (IDET). In Jerosch, Heisel, Imhoff (eds.): Fortbildung Orthopädie - Traumatologie. Die ASG-Kurse der DGOOC, Band 10: Wirbelsäule und Schmerz.

Steinkopff Verlag, Darmstadt, 2004.

Hess GM, Mayer HM: Percutaneous Vertebroplasty in Osteoporotic Vertebral Compression Fractures – What can we learn from the bad results? In Gunzburg R, Szpalski M (eds.): Osteoporotic vertebral compression fractures.

Lipincott, Williams and Wilkins, New York 2002.

Hess GM, Korge A, Mayer HM: Microsurgical decompression for symptomatic lumbar epidural lipomatosis.

Eur Spine J 2002; 11(S1):55.

Hess GM, Roy JF, Moisan C: MR-guided Cryosurgery of the sacroiliac joint – technique and preliminary results.

Osteologie 2002; 11(S2):82.
